

Nutcracker News!

It's October, which means falling leaves, apples, scarves, pumpkin patches, costume picking, and for ABA families....Nutcracker! We are about to begin the busy and fun season of rehearsals and all things Nutcracker! Hopefully you already have these written in your calendar from the last newsletter, but here is a recap of important dates:

-Parent Meetings & Costume Fittings – Oct. 5-10:

These are for Ballet II and under, Contemporary II & Jazz I, & Boys II and under. They will take place during your child's class time. Please plan on attending.

-Tickets go on sale – Oct. 19

-All Cast Rehearsals – Nov. 26 & Dec. 5

These will take place at ABA. These are both mandatory rehearsals. These are the only times before the dress, that the dancers have a chance to practice with everyone else.

-Spacing Rehearsals – Dec. 11

These happen at the Elsinore after school. Exact times TBA.

-Dress Rehearsal – Dec. 12

At the Elsinore starting around 10:00 am, so we can have a good break before the show that night.

-Nutcracker Performances – Dec. 12 & 13.

If you miss costume fittings, please bring your child in to the store to get fitted by mid October. That way Annie will not have to guess your dancer's size. As always, costumes will be practical and reasonably priced.

Party Parents & Casting!

Just like every year, we need parents to be in the party scene! This is a lot of fun, and it's a very limited commitment. The role is mostly acting with a few simple dance steps. It really is a great way to support your dancer! We will be having two rehearsals November 7 & 14, beginning at 4:30pm. Of course we will need you present at the all casts, spacing, and dress rehearsals as well. If you are interested, please email the office to get on the list.

In the coming weeks dancers will be learning what role they will play in this year's nutcracker! Casting is hard for younger and older dancers alike. As we discussed in the last newsletter, there will undoubtedly be some disappointed dancers. Please remember to support your child in whatever role they receive. Remember that your attitude will likely greatly affect their outlook. I hope everyone knows that Annie values all of the ABA dancers, and does her best to cast everyone in a role that will let them grow & shine the most!

Eugene Nutcracker Auditions

If you don't already have enough Nutcracker in your life, come audition for the Eugene Ballet's production! This is a great opportunity for dancers to participate in a professional production. Auditions will be held at ABA on October 18:

Waltz of the Flowers:
1-2pm (3 yrs pointe experience)

Party Children:
2-3:30 (Ages 11-15)

Bon Bons:
3:30-4:30 (Ages 9-11)

Angels:
4:30-5 (Ages 7-9)

Baby Mice:
5-5:30 (Ages 5-7)

Please come 30 minutes before your audition time with \$10 cash or check. Please make checks payable to Eugene Ballet Company. Rehearsals will mostly be held on Sundays at ABA. The performances will be December 16 & 17 at 7:30pm at the Elsinore Theatre. For more information, please contact Jennifer Martin at jennifer@eugene-ballet.org.

Opportunities to Help

Of course we cannot make these performances happen without the help of our parents!

One of the best ways you can help is to bring your child to classes. This is the best way to help them be confident and anxiety free for the big day. Please review or attendance policy in the ABA handbook.

If your dancer misses too many classes, they may be asked to come in for a private lesson to catch up. We try not to make this happen too often, but it is the best way to catch up a dancer. Privates start at 27.50 for the first half hour of a week day & 32.50 for the first half hour of an evening or weekend, then they are 40.00 an hour after that.

To make the show a reality, we need volunteers. At the parent meetings, volunteer lists will be passed around for you to sign up. Please consider filling an empty spot!

One of the most important positions is that of class coordinator. These are the volunteers who stay with a class at all times during rehearsals, and performances. They make sure the dancers in their class are happy, and ready to dance. This is a position that we must have filled for each show, for each class.

We know that some parents don't have a lot of time around the shows to volunteer, but

there are many less time consuming jobs on the list, and things you can do before the show. We can always use help with sewing, if you have experience with it!

As many of you know, our performances are fundraisers for different charities, so by advertising in the program, you are showing your support for the production, as well as helping out those in need. 199.00 and under gets you a listing, 200-399 gets a ¼ page ad, 400-749 gets a ½ page ad and special recognition at the beginning of the show, and 750+ gets a full page ad, and special recognition at the beginning of the show. Thank you all in advance for finding a way to help make this show a great success!

Willamette Dance Concert

As many of you know, Annie teaches ballet at Willamette, as well as choreographing for their annual dance concert. I'm excited to say, that I, (Sharon) will also be choreographing a piece this year. While this show may not be appropriate for younger dancers, it is a great chance for most of our families to come see a beautiful performance combining many different dance forms. There are eight performances running over two weekends Nov. 12-15 & Nov. 19-21. Regular Ticket prices are \$12. The show will take place at the Pelton Theatre at Willamette.
